Project Focus
a TrueNorth community service
OUR MISSION

Project FOCUS (For Our Children's Ultimate Success) is an out-of-school time program that implements mentoring, social and emotional learning, career and college preparation, academic tutoring and high exploration enrichment activities. The mission of Project FOCUS is to produce quality, motivated citizens through safe and fun educational enrichment opportunities that will broaden the horizons of both the students and their community.

WE EMPOWER YOUTH TO

Reach out • Give back • Grow into responsible adults

PARTNERSHIPS

We help children succeed through our teacher-responsive and student-sensitive approach. Working with the individual schools, Project FOCUS positively impacts families and helps to improve students' academic performance. The program's overriding strength lies in our integration with each school's curriculum, community and a friendly learning atmosphere that takes each child's interests and uniqueness into account.

GETTING INVOLVED

Parents can join in on the fun too. Volunteer! Participate in awesome student events, wacky family nights and wild talent shows. Also, if you or someone you know has a special skill, you can share your talents to provide further opportunities to our kids. Maybe you're a woodworker, gardener, quilter, hip-hop dancer, hair stylist, ... whatever. Reach out to the Project FOCUS team and see how you can volunteer to help our students!

A DAY AT PROJECT FOCUS!

NUTRITIONAL MEALS

We provide a healthy meal to start every programming day. One of our goals is to promote healthy lifestyles through nutritional food choices.

HOMEWORK ASSISTANCE & TUTORING

Need extra help with homework and school projects? We have you covered with tutors, grade tracking, missing assignment reports, and other in-school support.

LEARNING ENRICHMENT

Science, technology, engineering, arts and mathematics; hands-on building and creativity projects; sports and recreation experiences; literacy, music, drama, college and career explorations; homework support and enrichment activities; and community projects, outdoor learning, food preparation, culture and much more!

TRANSPORTATION

We bus the kids home! What's not to love?
